

**Slim and light to go**  
**HV620S External Hard Drive**

## HV620S External Hard Drive

The ultra-portable HV620S packs up to 1TB of external storage in a drive that's only 11.5mm thick. The design also shines with a mirror-like gloss, simple but elegant and fitting for dependable, go-anywhere storage that runs via fast USB 3.0. For all your content and with nearly universal device compatibility, the HV620S embodies smart design that increases capacity and performance while reducing physical space requirements.

### Even Slimmer Design

The HV620S takes the proven performance and reliability of our existing 2.5" external hard drives and re-defines them. At only 11.5mm in profile, it's super-slim for sleek elegance and superior portability, fitting easily in any briefcase or backpack. From meeting rooms to treks in nature, the HV620S never gets in the way and always adds a touch of style to your storage.

### Sleek and Glossy

The sleek lines and reflective, smooth surface of the HV620 highlights its thin and elegant overall appearance. It is ideal for those who wish to maintain an aura of professionalism, or show off their technical savvy

11.5  
mm

## Scratch-Prevention Design

A raised lip on the edge of the drive protects the surface from scratching when the drive is laid flat.
